Run Boy (Here I Come)

Boomkat

Let's go explore
Boom hand it over
Boomkat comin' for ya take that
On the floor and just
Fake it, fake it
Let me see that dirty dance
I know, I know you want inside my flirty pantsDon't get it twisted
Boomkat's gonna flip it take that
To the limit move back
Are with it?
Let's get, get naked, naked
I thought I saw that dirty dance
I know, I know you want inside my flirty pants[CHORUS:]
Here I come
You better run boy
Here I go
You better follow
Why us and me
You better run boy
Why us and me
You better run boyRoll out my Lexus
Don't sweat my necklace
Don't you expect it
So 'pect it, I stand corrected
We're like a cavity
I'm anti-gravity
They call me suga
Shoulda known
So don't be mad at meHey good lookin'
Whatcha got cookin'
From the bayous
Out his house
Oh yeah what, what
Oh yeah what, what
Oh yeah, oh yeah[CHORUS]You be the fruit in the can
And I'll be the whip and the cream
And together we ambrosia like it ain't no thing
Like it ain't no thing, like it ain't no thing
Together we ambrosia like it ain't no thingLet's go explore

Boom hand it over
Boomkat comin' for ya take that
On the floor and just
Fake it, fake it
Let me see that dirty dance
I know, I know you want inside my flirty pantsDon't get it twisted
Boomkat's gonna flip it take that
To the limit move back
Are with it?
Let's get, get naked, naked
I thought I saw that dirty dance
I know, I know you want inside my flirty pants[CHORUS 2x]
