Zoom

Commodores

I may be just a foolish dreamer
But I don't care
'Cause I know my happiness is waiting
Out there somewhereI'm searching for that silver lining
Horizons that I've never seen
Oh, I'd like to take just a moment
And dream my dreams, oh dream my dreamZoom, I'd like to fly far away, yeah
Where my mind can be fresh and clear
And I'd find the love that I long to see
Where people can be who they wanna beI wish the world were truly happy
Living as one
I wish the word they call freedom
Someday would come, someday would comeZoom, I'd like to fly far away from here
Where my mind, oh Lord be fresh and clear
And I'd find the girl that I long to see
Where people can be what they wanna beI want everybody to go on and help me sing right now
SingZoom, I'd like to fly away, zoom, zoom
Zoom, I'd like to fly away, zoom, zoom
I'd like to fly away, zoom, zoom
I'd like to fly away, zoom, zoomI'd like to fly away, zoom, zoom
I'd like to fly away, zoom, zoom
I'd like to fly away
