

Rest of our lives

The Calling

oooo I'm in love with you
I know you feel exactly like I do
why don't we plan our future now .
we have been so blessed & we could share a life of happiness
if you would just say yes.

Chorus: Would you take my hand & say I do.
I will promise to take care of you
& together we will hopefully
be in love for the rest of our lives.

oh oh & when the time arrives
I'll be standing firmly at your side
until the day I die my love.
When we take our vows
our families & friends will be so proud
as tears of joy come tumbling down.

Chorus: Would you take my hand & say I do.
I will promise to take care of you
& together we will hopefully
be in love for the rest of our lives.

ooooo A blessed day all will be great from this moment on.
We'll turn that kiss that kiss that turns two hearts into one.
And with my ring upon your finger shining so bright.
we both will smile walk down the aisle husband & wife.

Chorus: Would you take my hand & say I do.
I will promise to take care of you
& together we will hopefully be in love for the rest of our lives.
Would you take my hand & say that you would be mine.
I promise you that I will care for you now & forever.
& together we will be in love for the rest of our lives,
the rest of our lives.
Would you take my hand & say that you would be mine.
I promise you that I will care for you now & forever
& together we will be in love the rest of our lives, the rest of our lives.
