Darling I Do

Landon Pigg

Golden leaves looked brown to me
The world had less color without you
Shapes in the sky looked plain to my eyes
The world had less color without youI know plenty of people with eyes closed
They don't see you like I do
Darling, I doNotes on the keys meant nothing to me
The world didn't sing without you
Birds in the trees fell silent for me
The world didn't sing without you, without youI know plenty of people with eyes closed
They don't see you like I do
Darling, I do
Darling, I do see youI know plenty of people with eyes closed
They don't see you like
I know plenty of people with eyes closed
They don't see you likeI know plenty of people with eyes closed
They don't see you like I do
Darling, I doDarling, I do
Darling, I do, I do
Darling, I do
Darling, I do see you
