Know How

The Crane Wives

I am not brave, I am not brave,
I keep my focus on what is safe.
You drew a line, made up your mind,
And now I'm struggling to realizeI gotta wrap my head around
What my heart is telling me,
I've been trying to drown it out.
Just because I know what I am,
I am supposed to do now,
Doesn't mean I know, doesn't mean I know
How.I am not brave, I am not brave,
I blind my eyes to what won't stay.
You kissed my mouth, you pushed me out
And now I'm struggling to free myself.I gotta wrap my head around
What my heart is telling me,
I've been trying to drown it out.
Just because I know what I am,
I am supposed to do now,
Doesn't mean I know, doesn't mean I know
How.
