

Louie, Louie

Motörhead

Louie Louie, oh baby, we gotta go.

Yi-yi-yi-yi-yi

Louie Louie, oh baby, we gotta go.

You're my little girl, she's waiting for me.

I sail a ship across the sea.

On the ship you know I'm all alone.

I wonder if I'll ever make it home.

Louie Louie, oh no, we gotta go.

Yi-yi-yi-yi-yi

Louie Louie, oh baby, we gotta go.

Three nights and days I sailed the sea.

I think of girls oh constantly.

On the ship you know I dream she's there.

I smell the roses in her hair.

Louie Louie, oh baby, we gotta go.

Yi-yi-yi-yi-yi

Louie Louie, oh yeah, we've gotta go.

I see the Jamaica moon above.

I don't know when I'm gonna see my love

I know I'll hold her in my arms and then

I'll tell her that I'll never leave her again

Louie Louie, achacha,

Louie Lou

Louie Louie, oh baby, we gotta go.
