

Viva La Revolution (Tony Hawk's Underground)

The Adicts

VIVA! Into the Dungeon with evil men
The people have risen we're free again
Come out of the closet
Come out of the hole
Come out of the woodwork
Come into the fold
Rebels and fighters, a license to kill
Unite with the bandits down from the hills
Open your windows
Open your doors
Open your minds
To a freedom of thought
Viva la revolution
Viva la revolution
Viva la revolution
Viva la revolution Raise our voices, raise our flag
Smash the symbols of the life we've had
Long live the future
Long live the scheme
Long live our hopes
Long live the dream
Dance in the streets at the carnival
Celebrate the victory now
Drink the wine from the rich man's cask
This revolution won't be the last Viva la revolution
Viva la revolution
Viva la revolution
Viva la revolution
Viva la revolution
Viva la revoultion
Viva la revolution
Viva la revolution Rebels and fighters, a license to kill
Unite with the bandits down from the hills
Open your windows
Open your doors
Open your minds
To a freedom of thought
Dance in the streets at the carnival
Celebrate the victory now

Drink the wine from the rich man's cask
This revolution won't be the last Viva la revolution
Viva la revolution
Viva la revolution
Viva la revolution Viva la revolution
Viva la revolution
Viva la revolution
Viva la revolution Viva la revolution
Viva la revolution
Viva la revolution
Viva la revolution Viva la revolution
Viva la revolution
Viva la revolution
Viva la revolution
