

Toothbrush

Dnce

Baby you don't have to rush
You can leave a toothbrush
At my place
At my place
We don't need to keep it hush
You can leave a toothbrush
At my place
At my place
Stuck in a limbo
Half hypnotized
Each time I let you stay the night, stay the night
Up in the morning
Tangled in sheets
We play the moment on repeat, on repeat
When you're standing there in your underwear
And my T-shirt from the night before
With your messed up hair
And your feet still bare
Would you mind closing the bedroom door (ah ooh)
Baby you don't have to rush
You can leave a toothbrush
At my place
At my place
We don't need to keep it hush
You can leave a toothbrush
At my place
At my place
'Cause I just, I just can't let you go
Give me something I never know
So baby you don't have to rush
You can leave a toothbrush
At my place
At my place
No need to question next time we meet
I know you're coming home with me, home with me
Sweat like a sauna
Break out the ice
I know you're gonna stay the night, stay the night
When you're standing there in your underwear
And my T-shirt from the night before
With your messed up hair
And your feet still bare
Would you mind closing the bedroom door (ah ooh)
Baby you don't have to rush
You can leave a toothbrush

At my place
At my place
We don't need to keep it hush
You can leave a toothbrush
At my place
At my place
'Cause I just, I just can't let you go
Give me something I never know
So baby you don't have to rush
You can leave a toothbrush
At my place
At my place I don't want this to end
And there's no need to play pretend
If you stay with me again
Would you mind closing the bedroom door (ah ooh) Baby you don't have to rush
You can leave a toothbrush
At my place
At my place
We don't need to keep it hush
You can leave a toothbrush
At my place
At my place
'Cause I just, I just can't let you go
Give me something I never know
So baby you don't have to rush
You can leave a toothbrush
At my place
At my place
