

Running Blind (Transformer Remix)

t.A.T.u.

Reaching for you
I know you're out there somewhere
It's too dark, I'm so cold
I know I had to come here Every broken dream
That I leave behind
Keeps me going on
Keeps me running blind Calling your name, I hear only echoes
Searching the rain, I see only shadows
You've got to show me your face
Voices, I hear them calling behind me
Phantoms of you are burning inside me
You've got to give me a sign Fading slowly
You're drifting into darkness
I can't see, I can't think
I need to keep on searching Every memory
Every thought of you
Is inside of me
Tells me what to do Calling your name, I hear only echoes
Searching the rain, I see only shadows
You've got to show me your face
Voices, I hear them calling behind me
Phantoms of you are burning inside me
You've got to give me a sign Can you hear me?
Am I only wasting time?
Are you near me?
Are you only in my mind?
Are you, are you? Calling your name, I hear only echoes
Searching the rain, I see only shadows
You've got to show me your face
Voices, I hear them calling behind me
Phantoms of you are burning inside me
You've got to give me a sign Never fall behind, Keep on running blind
Can't stop now, Can't stop now,
Can't stop now
