

To Reign Again (Live @ Summerbreeze)

Kataklysm

We conquered all but still we're searching for blood
To thirst the quench a thousand years old
I want to hear the screams of nation's colliding
Soaked in sorrow, the fate of tomorrow You better run, run far away
From everything you ever wanted to be
Your destiny is mine
To defy this, it's suicide, it's suicide To reign again, to reign again
None shall defy the vengeance I unfold
Surrender to this end
Death is yours to keep, keep Fear, opposition, doomed forever, rage in anger
Feel the pressure ripping you apart, apart We conquered all but still we're searching for blood
To thirst the quench a thousand years old
I want to hear the screams of nation's colliding
Soaked in sorrow, the fate of tomorrow You better run, run far away
From everything you ever wanted to be
Your destiny is mine
To defy this, it's suicide, it's suicide To reign again, to reign again
None shall defy the vengeance I unfold
Surrender to this end
Death is yours to keep
