

# Wish You Were Here

## The Sounds

Remember the first time when I saw you.  
Thinking one day we'll be the lucky two.  
I looked at you and your beautiful hair.  
Give me your hand and we'll go somewhere.

I would take you down the city for a ride.  
We'll spend the night together  
by the river on the west side.  
Wish you were here.  
I wish you were here.  
Wish you were here.  
I wish you were here.

If I knew then what I know now.  
And that one day we would say goodbye  
So many things that we left unsaid.  
Remember your naked back on my bed.

I would take you down the city for a ride.  
We'll spend the night together  
by the river on the west side.  
Wish you were here.  
I wish you were here.  
Wish you were here.  
I wish you were here.

I would take you down the city for a ride.  
We'll spend the night together  
by the river on the west side.  
Wish you were here.  
I wish you were here.  
Wish you were here.  
I wish you were here.
