

Listen to Me

Texas

You came down as if from heaven
Laid a soft hand on me
I kept on walking and thinking
Where my life's gone; I should weep
Well I don't know where I've been going
I've never known the reason why
So listen to me
I'm scared to cry
The angel sat down at my table
I told her all my doubts and pain
She said there always is a time for love
That it would come to me again
Well I don't know where I've been going
I've never known the reason why
So listen to me
I'm scared to cry
Yeah, yeah, yeah
Well I don't know where I've been going
I've never known the reason why
So listen to me
I'm scared to cry
Yes, I am
So listen to me
I'm scared to cry
Yeah, yeah, yeah, yeah
I don't know where I've been going
No, and I'm scared to cry
Oh no, you gotta listen to me
Yeah, you gotta listen
Listen to me
'Cause I'm scared to cry
