

Me and My Gin

Dinah Washington

Stay away from me
â€˜Cause Iâ€™m in my sin
I said stay away from me
â€˜Cause Iâ€™m in my sin
But if this joint is raided
Oh somebody bring me my gin

Well now, donâ€™t mess with me nobody
â€˜Cause you will never win
I said donâ€™t mess with me nobody - wooh no
â€˜Cause you will never win
Iâ€™ll fight the army and the navy, air force and anybody
If somebody brings me my gin

Well any bootlegger
Go on and show him a pal of mine
I know you heard me, I said any bootlegger
All you gotta do is show him a pal of mine
â€˜Cause a good bottle of gin
Well get it, anytime

Especially when I get high
And ainâ€™t got nothinâ€™ to do
I know you heard me, I said when I get high
There ainâ€™t nothinâ€™ I wont do
So just keep me full of good liquor
And Iâ€™ll be nice to you

â€˜Cause I got high last night
And I took my man to his wifeâ€™s front door
Yeah, yeah, yeah, yeah I got juice last night
And I took my man to his wifeâ€™s front door
Oh, but she was a forty-five packinâ€™ mama
And I ainâ€™t gonna try that no more
