

# Liar, Liar

## A Fine Frenzy

Liar, liar, youre such a great big liar  
With the tallest tales that I have ever heard  
Fire, fire, you set my soul on fire  
Laughing in the corner as it burns  
Right between the ribs, its sinking in Oh, oh, the sirens sang so sweet  
And watched the sailors going down  
Oh, oh, you talked to me in siren song  
Yeah, anyone would drown  
Anyone would drown Sick and tired of this mad desire  
Fluttering inside me like a hawk  
Wire, wire, got my hands on wires  
Will heaven help you when I get them off?  
Right between the ribs, youll feel it then Oh, oh, the sirens sang so sweet  
And watched the sailors going down  
Oh, oh, you talked to me in siren song  
Yeah, anyone would drown  
Anyone would drown All the ships go down  
Following the sound  
All the ships go down Oh, oh, the siren sang so sweet  
And watched the sailors going down  
Oh, oh, you talked to me in siren song  
Yeah, anyone would drown Oh, oh, the siren sang so sweet  
And watched the sailors going down  
Oh, oh, you talked to me in siren song  
Yeah, anyone would drown  
Anyone would drown
