

Prince Kajuku

UFO

Catch a falling star
Put it in your pocket
Take hold of the moonbeams
Hang them around your neck Prince Kajuku's coming
Feathers in his hair
Tapping on his juju stick
See you down there Prince Kajuku holds you
Never lets you go
Feel his power around you
When your weakness shows Take a starry circle
Hold it in your hand
Never let Kajuku
Take you to his land Catch a falling star
Put it in your pocket
Take hold of the moonbeams
Hang them around your neck Kajuku, Kajuku
Walking down the street
Tapping on his juju stick
See you down there
