

Whispers In Blindness

Ace Of Base

Darling you were looking good
When you came to me and asked for a dance
And I said, "We can dance"
I felt like a queen
Swedish summer nights are hot
And the trees can talk, we lay on the grass
So easily, so blessed, whispers in blindness
And I didn't hold you back
I'm talking about you babe
'Cause you've been teasing me
I'm talking about it
'Cause you are bad right through
Stay with me and I shall want no other love
Stay with me another love another lie
Stay with me and I shall want no other love
And you were talking so sweet
But you were touching and teasing
I can hear the soft bells ring
Through a thousand years
They call out to me
They say, "It's only once
(Only once my dear)
In a life we love"
I can hear the soft bells ring
Through a thousand years
They call out to me
They say, "It's only once
(Only once my dear)
In a life we love"
Now I've had the honor too
I'm talking about you

'Cause you've been teasing me
I'm talking about it
'Cause you are bad right through
Stay with me and I shall want no other love
Stay with me another love another lie
Stay with me and I shall want no other love
But you were touching and teasing

You were holding my hand
You were kissing my skin
You were holding my hand
You were kissing my skin
Stay with me, and I shall want no other love
Stay with me another love another lie
Stay with me, and I shall want no other love
And you were talking so sweet
But you were touching and teasing
Stay with me
(Trees are whispering)
Stay with me
(Only once my dear)
Stay with me
(Trees are whispering)
But you were touching and teasing
Stay with me
(Trees are whispering)
Stay with me
(Only once my dear)
Stay with me
(Trees are whispering)
Stay with me
(Only once my dear)
