Everywhere

IAMSU! X P-LO

Gotta bitch from
The 916
She don't give head
But she'll suck my dick
No shit
Shawty is a bad lil freak tho
Touch your toes
Turn around
Lemme beat those
Super head sequel
Make a movie with her
I don't ever call
Never go to dinner
She roll with a winner
Ball like Reggie Miller
Give a bitch
Good wood never get
a splinter
She already know
When the phone rang
Take her to the crib
Give her lumpthang
Put her hands on my balls
Like she bowling
HBK keep the money rolling
I don't blow dank
You rappers low rank
Foam bout the song
Two gold chainsEverywhere I go all these ladies know my name.....
