He Said She Said

Bell X1

On the telephone
On the message board
On the toilet wall
Telemarket poll
By sign language
By a pigeon carriage
By pressing red
Fastest thumbs in the westWe're waiting
For fun, friendship and maybe more
Fun, friendship and maybe moreI am the man down
I'm gonna lose my leg
so just gimme the whiskey and let's goYes I covet my neighbour's wife
And yes I covet my neighbour's goods
Don't get too close I might take a swipe
And friendly fire still burnsHe said She saidThis is not a good time
How about the New World Wine
Or a set of shiny steak knives
$29.95I went for a video
I came back with a tan
I came back with a tanStill they gazed and their wonder grew
In this world of it might just be you
Watch them slip on the hamster wheel
Tears give good TVHe said She said
