

Degrade (Rob De Large Remix)

3Teeth

Manifestations of the gun
Blackened blood on every tongue
Taste the waste of their gods grace
And spit your hate upon your young
Abomination has been done
psychic scars on every son
Seal the fate of your own race
And spit your hate upon your youngDEGRADE
DEGRADE
DEGRADE
Burn your altar
Mighty dollar
DEGRADE
Fuck your martyr
Sell your collar
spit their hate upon your young
spit their hate upon your young
Manifestations of the gun
Blackened blood on every tongue
spit their hate upon your young
spit their hate upon your young
Metastization of the sunBlackened tar on every lung
Feel the weight of your worlds state
And spit your hate upon your young
Infiltration has begun
Acid cum on everyone
Break the state of your world's rape
And spit your hate upon your young
