Who Do You Love

Steve Miller Band

Ever since time began
Man loves a woman, woman loves a man
This is the way it was meant to be
Through the pages, through the books
Of our historyYou, you, you
Who do you love, who do you love, who do you love?
Now you, you, you
Who do you love, who do you love, who do you love?One and one and one are three
I love you, do you love me?
This is the place, now is the time
Give me your love and I'll give you mineYou, you, you
Who do you love, who do you love, who do you love?
Now you, you, you
Who do you love, who do you love, who do you love?This is simple and it's true
There's a shining light all around you
You're the one, you're the fire
You can make it higher and higherThis is the place, now is the time
Tell me now, darlin', will you be mine?You, you, you
Who do you love, who do you love, who do you love?Put your arms around me
Ah, hold me tight
Ah, cuddle up darlin'
Ah, in the still of the nightAh, you are the one
Ah, that I adore
Ah, you are the one
That I love so wellThis is the place, now is the time
Tell me now, darlin', will you be mine?You, you, you
Who do you love, who do you love, who do you love?
Now you, you, you
Who do you love, who do you love, who do you love?Now you, you, you
Who do you love, who do you love, who do you love?
Now you, you, you
Do you love me, do you love me, do you love me?
