

# Who Do You Love

## Steve Miller Band

Ever since time began  
Man loves a woman, woman loves a man  
This is the way it was meant to be  
Through the pages, through the books  
Of our history You, you, you  
Who do you love, who do you love, who do you love?  
Now you, you, you  
Who do you love, who do you love, who do you love? One and one and one are three  
I love you, do you love me?  
This is the place, now is the time  
Give me your love and I'll give you mine You, you, you  
Who do you love, who do you love, who do you love?  
Now you, you, you  
Who do you love, who do you love, who do you love? This is simple and it's true  
There's a shining light all around you  
You're the one, you're the fire  
You can make it higher and higher This is the place, now is the time  
Tell me now, darlin', will you be mine? You, you, you  
Who do you love, who do you love, who do you love? Put your arms around me  
Ah, hold me tight  
Ah, cuddle up darlin'  
Ah, in the still of the night Ah, you are the one  
Ah, that I adore  
Ah, you are the one  
That I love so well This is the place, now is the time  
Tell me now, darlin', will you be mine? You, you, you  
Who do you love, who do you love, who do you love?  
Now you, you, you  
Who do you love, who do you love, who do you love? Now you, you, you  
Who do you love, who do you love, who do you love?  
Now you, you, you  
Do you love me, do you love me, do you love me?
