

Whatever

Godsmack

And I wonder
Day to day
I don't like you
Anyway And I don't need your
Shit today
You're pathetic
In your own way I feel for you
Better fuckin' go away
I will be here
Better fuckin' go away And I'm doing the best I ever did
I'm doing the best that I can
And I'm doing the best I ever did And I don't need to
Fantasize
You are my pet
All the time And I don't mind if
You go blind
You get what you get
Until you're through with mine I fuckin' feel for you
(Better fuckin' go away)
And I will be here
You better go away I feel for you
(Better fuckin' go away)
I will be here
You better go away And I'm doing the best I ever did
I'm doing the best that I can
I'm doing the best I ever did
Now go away
...
