

Bigger Than

For All Seasons

You are able to provide
You are faithful in perfect time
Your goodness overwhelms
I am held

Through the fire, you're my shield
Your protection never fails
No power can't separate
I am saved

You are bigger than all my fears
God of love, God my love
You are bigger than all my dreams
God my hope, God my peace
Whatever will come my way
Through each day, I will say
"God I trust you, God I trust you"

You're the treasure I desire
I surrender my whole life
For your glory, my great reward
I am yours
Use me Lord

You are bigger than all my fears
God of love, God my love
You are bigger than all my dreams
God my hope, God my peace
Whatever will come my way
Through each day, I will say
"God I trust you - I trust you"

You are the God who always sees us
Even if bare and desperate seasons
No matter what the circumstance
You are the rock on which I stand

You are bigger than all my fears
God of love, God my love
You are bigger than all my dreams

God my hope, God my peace
Whatever will come my way
Through each day, I will say
"God I trust you - I trust you"

You are the God who always sees us
Even if bare and desperate seasons
No matter what the circumstance
You are the rock on which I stand
