

# In Love & Life (feat. Deni Gauthier)

## Rose Cora Perry

V1: I wandered alone  
Searching for a dream  
As the tide rolled in  
It brought a memory  
I can't comprehend  
All the places I've been  
I'm growing so old  
I've got a eulogy

V2: When I saw you  
Everything changed  
My numbness did fade  
I could feel again  
If just for a moment  
Things ended too soon  
All that's left is a bruise  
That only time can mend

Chorus: I wanna be the kiss of life that sets you free from pain  
I wanna be the kiss of love that makes you feel again

V3: I sought you out  
To learn the lies we were told  
I gave you my truth  
You would've never known  
In my search for answers  
I found it all  
Everything that I'd wanted  
But was never shown

V4: But you were too broken  
So downright abused  
I had to pay  
For things I didn't do  
And now I'm swimming in circles  
Between hopeful and doubt  
But as much as I drown  
I won't accept the help

Bridge: And if you'd only open wide

Youâ€™d see all the signs  
That brought us here  
Letâ€™s disappear  
I want you for the rest of my life  
The rest of my life
