Backlash Blues

Nina Simone

Mr. Backlash, Mr. Backlash Just who do you think I am? You raise my taxes, freeze my wages And send my son to VietnamYou give me second class houses And second class schools Do you think that all colored folks Are just second class fools?Mr. Backlash I'm gonna leave you With the backlash bluesWhen I try to find a job To earn a little cash All you got to offer Is your mean old white backlashBut the world is big Big and bright and round And it's full of folks like me Who are black, yellow, beige and brownMr. Backlash I'm gonna leave you With the backlash bluesMr. Backlash, Mr. Backlash Just what do you think I got to lose I'm gonna leave you With the backlash blues You're the one will have the blues Not me, just wait and see
