

# Heartless (feat. Rick Ross & Bigga Rankin)

YFN Lucci

Lately I been chasing paper, chasing guap (yeah, yeahh)  
Lately I been feelin' like fuck a hater, fuck a cop (yeah, yeahh)  
I swear lately I been heartless, heartless, heatless, heartless  
I swear lately I been heartless, heartless, heatless, heartless[Verse 1] YFN Lucci  
Oh hell nah ain't no pressure bout no beef, we gone air shit out  
I got yo bitch and she tellin' me all yo where about's  
Loadin' this K, I can't wait to go and spray one out  
I been hustling all day tryna get that cake up out it all day allday I been ridin' it with it all day, it ain got no safe,  
it ain't got no safe  
Yall niggas play it safe, we gone hit your safe  
I got niggas in MIA, and they'll hit your face  
I been a thug all my life, wanted a plug all my life  
We had to move around with them pipes, we had to shoot it out some nights  
Ain't no pressure bout no beef know we love tender  
Fuck nigga, don't make me put a slug in em'[Chorus]  
Lately I been chasing paper, chasing guap (yeah, yeahh)  
Lately I been feelin' like fuck a hater, fuck a cop (yeah, yeahh)  
I swear lately I been heartless, heartless, heatless, heartless  
Lately I been heartless, heartless, heatless, heartless[verse 2] Rick Ross  
We located and got a bigger palace on the water  
Pull up to club I toss valet a couple hunnits  
Women in abundance I got to fuck em' by appointments  
Pray that bundle come from Haiti, ima give you what you wanted  
I fucked her in the park. now we fuckin on the jet  
You fuckin' with my squad ima put that shit the best  
Studied all these niggas cause this life is just a test  
I need my 100,000,000 you can't tell me nothing less  
They gave my nigga 10 the lawyer sayh e did the best  
These streets ain't where you wanna be and Rozay told you dat  
The only natural talent niggas had was being violent  
If a nigga take my life I pray he see me smiling
