D*g*t*t*m

Pantera

This is "DIME"
open the door
Let me in!!
WARNING a general surgeon
has warned that D*G*T*T*M
may be hazardous to you mental,
as well as "METAL" health.
To obtain maximum benefit
follow these "easy to follow"
instructions:
(1) barricade your door
(2) lock all existing exits
(3) place your stereo volume on 11

(4) lay back with your favorite indulgence and "communicate"
All pussy cats, guitars, Budweiser
botties, power hitters, primal grunts
and recorded bullshit are part
of yet another "Metal Magic"
Mystery Tour created by
Diamond Darrell and the "BEAST"
of PANTERA....BEWARE!!!!!!!
Check your heart rate now and
take another "hit"
