Karmacoma (Portishead Experien

Massive Attack

You sure you want to be with me
I've nothing to give
Won't lie and say this love is best
Leave us in emotional peace
Take a walk, taste the rest
No, take a restI see you digging a hole
Your neighborhood
You're crazy but you're lazy
No need to live on the need to
Your troubles must be seen to see through money
Like it's paper with faces I remember
I drink on a daily basis
Though it seldom cools my temper
It never cools my temperWalking through the suburbs they're not exactly lovers
You're a couple, especially when your body's doubled
Duplicate, and then you wait for the next KuwaitKarmacoma, Jamaican aroma

Taste the restDon't want to be on top of your list
Monopoly and properly kissed
We overcome in 60 seconds
With the strength we have together
But for now, emotional ties they stay severed
When there's trust there'll be treats and
When we funk we'll hear be beatsKarmacoma, Jamaican aroma
