

# You Spin Me 'round

Thalia

You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round  
You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round If I, I get to know your name  
Well if I could trace your private number, baby  
All I know is that to me you look like you're lots of fun  
Open up your lovin' arms I want some, want some You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round  
You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round I set my sights on you  
And I, I've got to have my way now, baby  
All I know is that to me you look like you're lots of fun  
Open up your lovin' arms, watch out, here I come I've got to be your friend now, baby  
And I would like to move in just a little bit closer  
All I know is that to me you look like you're lots of fun  
Open up your lovin' arms, watch out, here I come You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round  
You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round I've got to be your friend now, baby  
And I would like to move in just a little bit closer  
I, I've got to have my way now, baby  
All I know is that to me you look like you're havin' fun  
Open up your lovin' arms  
Watch out, watch out, watch out, here I come You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round  
You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round I want your love, I want your love  
All I know is that to me you look like you're lots of fun  
Open up your lovin' arms, watch out, here I come You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round  
You spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round You spin me, you spin me 'round, like a record, baby  
You spin me, you spin me right 'round, baby, right 'round  
Like a record, baby, right 'round, round, round You spin me, you spin me 'round, like a record, baby  
Right 'round, round, round  
Spin me, spin me, spin me, spin me
