

Nature Is Ancient

Björk

It's wet in the middle
With a shell around it
It's called life It goes wherever it wants to
Don't try to predict it
Then you'd offend it
It's meant to surprise Nature is ancient
But surprises us all
Nature is ancient
But surprises us all Rescue me
From level-head-ness
And the unnecessary luxury of being calm Nature is ancient
But surprises us all
Nature is ancient
But surprises us all She's got dark hairs on her head
Blonde on her arms
She sneaks up from behind
Come on
You deserve it! Nature is ancient
But surprises us all
Nature is ancient
But surprises us all
