

# Care for Me

## Az Yet

Looking in your eyes, it's written on your face  
I can read your mind, you feel the same as me, baby  
Girl it's time you face the truth, you're in love with me  
And I think it's time that you came around Girl you care for me, like I care for you  
And you think of me all the time  
Girl you want from me what I want from you  
And you dream of me every night Nowhere you can run, nowhere you can hide  
Can't you feel it girl, you're running outta time, baby girl  
Nothing but your fate, you're supposed to be with me  
So start acting like you're my baby girl Girl you care for me, like I care for you  
And you think of me all the time  
Girl you want from me what I want from you  
And you dream of me every night It's really not good for you to deny the feelings deep inside you  
You're really overdue, you need to open up, baby  
Truly girl, it's time for you to come to terms with what's inside you  
This ain't no time to run away, away from love Girl you care for me, like I care for you  
And you think of me all the time  
Girl you want from me what I want from you  
And you dream of me every night Girl you care for me, like I care for you  
And you think of me all the time  
Girl you want from me what I want from you
