Her Voice

Drew Seeley

Her voiceSomewhere there's a girl
Who's like the shimmer of the wind upon the water
Somewhere there's a girl
Who's like the glimmer of the sunlight on the seaSomewhere there's a girl

Who's like the glimmer of the sunlight on the seaSomewhere there's a girl
Who's like a swell of endless music

Somewhere she is singing

And her song is meant for meAnd her voice it's sweet as angels sighing

And her voice it's warm as summer sky

And that sound it haunts my dreams

And spins me 'round until it seems, I'm flying

Her voiceWell, I can sense her laughter

In the ripple of the waves against the shoreline

And I can see her smiling

In the moonlight as it settles on the sandI can feel her waiting

Just beyond the pale horizon

Singing out a melody

Too lovely to withstandAnd her voice it's there as dusk is falling

And her voice it's there as dawn steals by

Pure and bright, it's always near

All day, all night and still I hear it calling

Singing da, da, da, da, da, daStrange as a dream

Real as the sea

If you can hear me now

Come set me free

Oh, come set me freeAnd her voice it's sweet as angels sighing

And her voice it's warm as summer sky

And that sound it haunts my dreams

And spins me 'round

Until it seems, I'm flying, I'm flyingStrange as a dream

Real as the sea

Her voice is calling to me
