Rhythm of Light

Freedom Call

In the Rhythm of LightI got the rhythm, charged by fantasy
I got the Power of the World
I grabbed the universe
In a twilight galaxy
I'm gonna be the master of the lightIn the rhythm of my heart
The rhythm of my soul
In the rhythm of the lightIn the Rhythm of LightMy head is moving, my Metal faith in mind
I'm gonna cast out the demon's spellIn the rhythm of my heart
The rhythm of my soul
In the rhythm of the light
In the Rhythm of Light
In the Rhythm of time
You gonna dream forever
Fight for your vision of life
You gonna stay togetherIn the Rhythm of LightCan you feel the energy, breaking out of me
Big Bang - Unchain the bonds of gravityIn the rhythm of my heart
The rhythm of my soulIn the Rhythm of Light
In the Rhythm of time
You gonna dream forever
Fight for your vision of life
You gonna stay together
In the rhythm of time
Forever fight for your vision of life
There is no reason to get rid of endless dreams
The golden answer is infinity in mindIn the Rhythm of Light
In the Rhythm of time
You gonna dream forever
Fight for your vision of life
You gonna stay together
In the Rhythm of Time
You gonna dream forever
Fight for your vision of Life
You gonna stay togetherWe gonna dream and fight
We gonna stay tonight
We gonna dream and fight forever
We gonna stay tonight together
For the vision of life
