

Callie's Song

Mad Caddies

When I woke up on the other side
I was alone, I had lost my pride
And there she was from the dark night
She took me in, she made it right
Now I can't let go I said Oh oh oh oh oh
You know I'd like to spend my time with you
I said Oh oh oh oh oh
It'd be just fine to spend my time with you
Time with you I lost the life that I'd been living in
I was alone; nothing left to give
There she was, floating out of the night
She touched my heart and made it right
And now I can't let go I said Oh oh oh oh oh
You know I'd like to spend my time with you
I said Oh oh oh oh oh
It'd be just fine to spend my time with you
Time with you Yeah!
Guitar Solo And I said Oh oh oh oh oh
You know I'd like to spend my time with you
I said Oh oh oh oh oh
It'd be just fine to spend my time with you
I said Oh oh oh oh oh
You know I'd like to spend my life with you
I said Oh oh oh oh oh
You know I'd love to spend my life with you
Life with you! *Brass Section*
Guitar Solo
