# Rock 'n' Roll Weekend

## Sammy Hagar

You've been waitin' for five long days
Passin' time in so many ways, oh yeah
Just waitin', oh, just waitin', baby
Ooh Lord, you've been waitin' for tonight
Money is burnin' a hole in your pocket
Friday night we'll blow the stars out of socket, oh yeah
Skyrocket, skyrocket, babe
Ooh Lord, we're gonna rock it all tonight
It's gonna be a rock and roll weekend
Eight o'clock's when the show begins
Get on the phone, call up all your friends
Tell 'em it's gonna be a rock and roll weekend
Rock and roll weekend, rock and roll
Check your watch it's gettin' time
Flash by the mirror, make sure you're lookin fine, oh yeah
Car waitin' outside, your momma sittin' by your side
Hey, we'll take that midnight ride tonight
(Rock and roll weekend)
In Atlanta
(Rock and roll weekend)
New York City
(Rock and roll weekend)
Detroit, Chicago
(Rock and roll weekend)
Dallas, Texas
(Rock and roll weekend)
See you in Cleveland
(Rock and roll weekend)
Don't for
(Missing end)
