

Warning Sign

Local Natives

Warning sign, warning sign
I hear it but I pay no mind
Hear my voice, hear my voice
It's saying something, it's not very nice Pay attention, pay attention
I'm talking to you and I hope you're concentrating
I've got money now, I've got money now
Come on, baby, come on, baby Warning sign of things to come
Happened before, it'll happen again Hear my voice, move my hair
Move it around a lot
I don't care what I remember Warning sign, warning sign
Look at my hair, I like the design
It's the truth, it's the truth
Your glassy eyes and your open mouth Take it easy, baby, take it easy
It's a natural thing so relax
I've got money now, I've got money now
Come on, baby, come on, baby Warning sign of things to come
Love is here but I guess it's gone now
Warning sign of things to come
Love is here but I guess it's gone now Hear my voice, move my hair
Move it around a lot
I don't care what I remember
