Warning Sign

Local Natives

Warning sign, warning sign I hear it but I pay no mind Hear my voice, hear my voice It's saying something, it's not very nicePay attention, pay attention I'm talking to you and I hope you're concentrating I've got money now, I've got money now Come on, baby, come on, babyWarning sign of things to come Happened before, it'll happen againHear my voice, move my hair Move it around a lot I don't care what I rememberWarning sign, warning sign Look at my hair, I like the design It's the truth, it's the truth Your glassy eyes and your open mouth Take it easy, baby, take it easy It's a natural thing so relax I've got money now, I've got money now Come on, baby, come on, babyWarning sign of things to come Love is here but I guess it's gone now Warning sign of things to come Love is here but I guess it's gone nowHear my voice, move my hair
