

# Talk to Me

Maxim Nucci

Something just changed in your soul  
Tell me baby what's wrong  
What's going on and you've been crying

Something just flaked in your eyes  
There's a crack in your games  
Like those broken days  
I'm on seeing faith

Baby talk to me  
Please talk to me  
Baby talk it's me  
Talk to me

Something got all of your soul  
You're like never before  
Is there something more  
Have i missed anything.

Seems like the sun is shining  
On everyone but me  
Won't you talk to me  
This is getting scary

Baby talk to me  
Please talk to me  
Baby talk it's me  
Talk to me

Something just changed in my world  
And it's killing me
