

# Weary Boat

## Wyoming

a small and weary boat  
in the harbour, harbour of gold  
a small and weary boat  
in the harbor, harbor of gold  
it cannot swim, it cannot sail  
the tide will take it out of the bay  
the tide will take it awaylike a fish afraid of the water  
like a bird afraid of the sky  
like a fish afraid of the water  
like a bird afraid of the skya small and weary boat  
it's not its harbour, harbour of home  
a small and weary boat  
will it remain, remain afloat?  
I lie inside and watch my skin  
underwater, vanishing  
now I know the tide is in
