Nahmeanuheard

N.o.r.e.

{N O R E
Where my skateboarding niggas at?}
I know you heard, know you heard
I know you niggas heard
Know you heard, know you heard
I know you bitches heard
Know you heard, know you heard
I know you all heard
What, what, what, what
What, what, what, what
Tell me you heard
I know you heard, know you heard
I know you niggas heard
Know you heard, know you heard
I know you bitches heard
Know you heard, know you heard
I know you all heard
What, what, what, what
What, what, what, what
Tell me you heard
Yo, yo, yo, yo pull that nigga over
Snatch the nigga out the Rover
Dat dat dat, gun shots all over
And I wasn't there, but if I was
There'd been a lot more gun shots goin' off then they was
So, tell 'em hoes to fix they wig
You see my stomach all round, my dick all big
And my guns come mixed like Robin kids
N O fuck ya life, snatch ya ice
And my coke come white, like Barkley wife
Can't stand how, these niggas be frontin'
Dumpin' off 8 shots, ain't hurtin nuttin'
And who gives a fuck 'bout, who's lyrics is better?
As long as my shit is dope when I put it together
Me and Swizz with another one, hot forever
And you can call Violator, for show that you whoof
I like a Swizz Beat, shit already come with a hook, it go
I know you heard, know you heard
I know you niggas heard

Know you heard, know you heard
I know you bitches heard
Know you heard, know you heard
I know you all heard
What, what, what, what
What, what, what, what
Tell me you heard
I know you heard, know you heard
I know you niggas heard
Know you heard, know you heard
I know you bitches heard
Know you heard, know you heard
I know you all heard
What, what, what, what
What, what, what, what
Tell me you heard
Yo, yo, yo, aiyyo it's hope sittin', motherfuckers know me
Everytime I drop an album, niggas O D
Though I send slugs at ya, and ruin your day
Your like "Man there's holes in me, it won't go away"
And I'm a straight surgeon, I'll change ya face up
You'll have no ear, when I lace ya shape up
'Cause really N O, I don't fuck with niggas
And if you even met me, you just a lucky nigga
Niggas always talk about how much jewels they got
But nigga I talk guns, that's usually hot
And 9 times out of 10 they gon' usually pop
It's like herpes, it won't go away, it stay hot
Man, I be spittin' like these niggas is dead
'Cause I'm a get my money, these niggas is dead
So what, I be hype, I be ready to buc
From the closet, I keep my fuckin' gear in the truck, it go
I know you heard, know you heard
I know you niggas heard
Know you heard, know you heard
I know you bitches heard
Know you heard, know you heard
I know you all heard
What, what, what, what
What, what, what, what
Tell me you heard
I know you heard, know you heard
I know you niggas heard
Know you heard, know you heard
I know you bitches heard

Know you heard, know you heard
I know you all heard
What, what, what, what
What, what, what, what
Tell me you heard
Yo, yo, yo, got the Lap Truck, tell them hoes to lap up
Hit me on the 2-way, my phone is tapped up
Matter of fact, don't even hit me, it's too much low
But if ya hit me on the pager, then use them codes
I got the feds on me, I'm supplying the coke
And don't flash no money, I act tight broke
'Cause man, I'm in this game with somethin' to prove
Only been a hood tour, no smoke to groove
I was on a record label that loved to loose
No promotions, lucky when we hit the news
Beef, it don't bother us, we got God with us
Rip some pieces of niggas, we got 'card with us
Man, Swizz'd drop it, I'm ready to do it
Don't think a nigga nice, these niggas is stupid
Man, signed a deal, rap'd sell
And these niggas straight gay, these niggas is squeel, it go
I know you heard, know you heard
I know you niggas heard
Know you heard, know you heard
I know you bitches heard
Know you heard, know you heard
I know you all heard
What, what, what, what
What, what, what, what
Tell me you heard
I know you heard, know you heard
I know you niggas heard
Know you heard, know you heard
I know you bitches heard
Know you heard, know you heard
I know you all heard
What, what, what, what
What, what, what, what
Tell me you heard
