Life As Is

Open Hand

For now I'll just push my feelings aside
Not to worry it'll be alright
Now I'll just rest from the world that it here
And what it has for meFor now I'll just push my feelings aside
Not to worry it'll be alright
Now I'll just rest from the world that is here
What it has for meI know what you want
I know what you need, yeah
But I can't give it
I can't give itYeah yeah, you walked away
Yeah yeah, now turn and look at meThat's okay I said it, I'll say it again
You want it right now
It's alright I know everything's okay
While you're here with meYes I know it
So answer me right now
I'm so sorry
I'm so sorryWe'll find our own way out
So take my hand
Decide our own way
Just you and me nowYes I know it, right nowThat's okay I said it, I'll say it again
You want it right now
It's alright I know everything's okay
While you're here with meFalling inside this time
Falling inside
You want it right now
Don't walk away I'm here todayFalling inside this time
Falling inside you want it right now
Don't walk away
But I'm here todayI know what you want
I know what you need
But I can't give it
I can't give itYeah yeah, you walked away
Yeah yeah, now turn and look at meThat's okay I said it, I'll say it again
You want it right now
It's alright I know everything's okay
While you're here with me
