

# Lately I

Faith Evans

Lately I don't wanna see the morning sun  
Lately I, I'm not much good to anyone  
Lately I don't laugh the way I used to do  
Lately I've been cryin', lately I've been missing you  
Lately I don't wanna hear my favorite song  
Lately I, I'm finding it hard to carry on  
Lately everything I see is painted blue  
Baby I've been dyin', baby I've been missing you  
Lately I don't know why I ever let you go  
I want you back, I need you back, without you it's all wrong  
Baby make it right, bring your love back to my life  
'Cause nothing's been the same since you've been gone  
Lately I don't feel like talking to my friends  
Lately I, I feel like this pain will never end  
I don't want to go the places we went to, no no no  
I don't feel like smiling, baby I'm just missing you  
Oh baby I want you back, I need you back  
Without you it's all wrong  
Baby make it right, bring your love back to my life  
'Cause I'm just not the same since you've been gone  
Lately I don't want to see the morning sun  
Lately I, I'm not much good to anyone  
Lately I don't laugh the way I used to do, no no no no no  
Lately I've been cryin', lately I've been dyin', oh yeah  
Save me from this pain I'm goin' through  
Lately I've been cryin'  
I've been cryin', lately I've been missing, missing you, you
