

# Let You Go

Jake Miller

Chorus:

I won't never let you go  
You ain't gotta worry bout a thing baby  
Every single day I'ma let you know  
Uh baby can't you see, you're the one for me  
I won't never let you go  
You ain't gotta worry bout a thing baby  
Every single day I'ma let you know, oh, oh  
You're my everything  
It started back in middle school  
Back when it was puppy love  
Now it's so much more than that  
It's something I've been dreaming of  
It's crazy looking back, thinking bout when we were kids  
But it's funny cause my feelings for you haven't changed a bit  
I remember growing up, looking at my mom and dad  
Thinking when I'm older, that's exactly what I wanna have  
And I think I finally found it, ever since the day you came along  
I never doubted us, I swear I knew it early on  
Baby you my best friend, yeah I hope you know  
We'll go down together just like dominoes  
They say there's no such thing as fairy tales  
But this seems to be!  
Girl I couldn't tell you what you mean to me

Chorus:

I won't never let you go  
You ain't gotta worry about a thing baby  
Every single day I'ma let you know I won't never let you go  
You ain't gotta worry bout a thing baby  
Every single day I'ma let you know, oh, oh  
You're my everything  
Yeah, remember laying on my roof, looking at the stars  
I pointed to the biggest one and said that one is ours  
You ain't just a random girl, neah, we go way back  
Always doing laps around my mind, like a race track  
I been chasing after you ever since I was five foot  
Circling your picture with a sharpie in my yearbook  
That might have sounded kinda creepy,  
yeah it's cheesy, but it's true girl, I swear that you complete me

Cause you everything I wanted more, never felt like this before  
Looking in your eyes sends chills down my spinal cord  
I can only pray to God you feel the same  
Yeah, girl I love you, that will never change

3 x Chorus:

I won't never let you go  
You ain't gotta worry bout a thing baby  
Every single day I'ma let you know  
Oh baby can't you see, you're the one for me  
I won't never let you go  
You ain't gotta worry bout a thing baby  
Every single day I'ma let you know, oh, oh  
You're my everything
