

# The Ocean

## The Bravery

("We've done four already but now we're steady  
and then they went: One, two, three, four")

Singing in the sunshine, laughing in the rain  
Hitting on the moonshine, rocking in the grain  
Ain't no time to pack my bag, my foots outside the door  
Got a date, I can't be late, for the high hopes hailla ball.

Singing to an ocean, I can hear the ocean's roar  
Play for free, play for me and play a whole lot more, more!  
Singing about good things and the sun that lights the day  
I used to sing on the mountains, has the ocean lost it's way.

Sitting round singing songs 'til the night turns into day  
Used to sing on the mountains but the mountains washed away  
Now I'm singing all my songs to the girl who won my heart  
She is only three years old and it's a real fine way to start.
