Worship In the Now

Javen

Now is the time, now is the time to worship
Now is the time, now is the time to worship
Now is the time, now is the time tp worship

Worship in the now
Now we Worship
Worship in the now!
Now we Worship

Now is the time, now is the time to worship
Now is the time, now is the time to worship
Now is the time, now is the time tp worship

We release the worship
We release the worship
We release the worship

Release worship
Release the Worship now
Worship in the now
Now we worship!
We worship
