

# He Woke Me Up Again

Sufjan Stevens

He was, he was in the churchyard  
My father was in the first part  
He came, he came to my bedroom  
But I was asleep, he woke me up again to say "Halle, Halle, Hallelujah  
Holy, Holy is the sound" And I hope, I hope you are tired out  
And I know, I know there is joy endowed  
But I was asleep and he woke me up again  
And he woke me up again to say "Hold on, hold on to your old ways  
Or put off, put off every old face" And I know, I know you are changed out  
I hope, I hope you're arranged out  
But I'm still asleep and you woke me up again  
And I'm still asleep but you woke me up to leave
