We Know Better

Radney Foster

Elsa: Hello little baby, youâ€™re princess just like me
Bet youâ€™re thinking maybe itâ€™s a pretty cool thing to be
But soon youâ€™ll see that everyone expects a lot from you
Theyâ€™ll say that there are things a princess should and shouldn't do
But you and me, we, we know better

Elsa and Anna:1, 2, 3 together, clap together, snap together
You and me together, knees together, freeze together
Up or down together, princess crown together
Always be together, you and me

1, 2, 3 together, clap together, snap together
You and me together, knees together, freeze together
Up or down together, princess crown together
Always be together, you and me

Elsa: They say a princess is full of charm and grace
They say she always knows her place
They say a princess wears pink and frilly clothes
They say she never laughs and snorts milk out her nose
They say sheâ€™s calm, they say sheâ€™s kind
They say she never speaks her mind or freezes nannyâ€™s big behind

Both: But you and me, we, we know better

Nanny: You girls are in so much trouble, when I'm gonna tell your father!
Anna: How come you can do that and I canâ€™t?
Elsa: I donâ€™t know, I wish you could though...

Elsa: They say a princess is super duper sweet

Anna: She doesn't fight; she doesn't sweat

Both: And you never see her eat

Anna: They say a princess doesn't climb and scrape her knee

Elsa: They say a princess wouldn't freeze her tutorâ€™s tea

Anna: They say sheâ€™s poised

Elsa: They say sheâ€™s fair

Both: She never mentions underwear!

Anna: Or longs to see the world out there

Both: But you and me, we, have big ideas of our own
For the distant someday when weâ€™re grown

Elsa: When Iâ€™m queen

Anna: And Iâ€™m your right hand

Elsa: Youâ€™ll get to travel

Both: Throughout the land

Anna: Iâ€™ll tell them of my sister and the magic things she can do

Elsa: Weâ€™ll take care of our people and they will love

Both: Me and you
No one can tell us what a princess should be
As long as weâ€™re together, you and me
