Don't say a word
Just come over here
I got somethin' I gotta do tonight
Listen Ain't never been a man wantin'
Anything much as I want you (you)
The sun don't come up 'til mornin'
So tonight there's no excuse, mmmm (mmm)
Just like the rain outside I'll make your
Love come down, so baby now it's time (time)
Just can't wait no more (just can't wait no more)
I'm gonna give you
What your body's been cryin' for (cryin' for) And if you tell me yes I'll lay you down
Girl we ain't gotta rush, let's play around
We'll do it like we never done before
So go and lock that door
Baby don't worry 'cause I'll be gentle Come on baby turn the lights off
Let's get naked (ooh, come on)
Come on babygirl, you know I just can't take it
(I can't take it no more)
Let your panties hit the floor (floor)
Let your body steal the show right now (right now)
It seems like you're ready, so come on girl
I just can't wait to see us naked (us naked, yeah) I know you want this girl
I see it in your eyes (eyes)
Don't be ashamed of what you got
Between those thighs oh (oh)

But I can't help it, feels so good to be invited
