

# Zing Went the Strings of My Heart

## The Coasters

Never could carry a tune  
Never knew where to start  
You came along when ev'rything was wrong  
And put a song in my heart[Chorus]  
Dear, when you smiled at me  
I heard a melody  
It haunted me from the start  
Something inside of me  
Started a symphony  
Zing! Went the strings of my heart  
'Twas like a breath of spring  
I heard a robin sing  
About a next set apart  
All nature seemed to be  
In perfect harmony  
Zing! Went the strings of my heart Your eyes made skies seem blue again  
What else could I do again  
But keep repeating through again  
"I love you, I love you" I still recall the thrill  
I guess I always will  
I hope 'twill never depart  
Dear, with your lips to mine  
A rhapsody divine  
Zing! Went the strings of my heart
