Suddenly

Angry Anderson

I only dreamed that I would find
A loving heart, an open mind to see the real me
And I hoped that you would be the oneA chance to talk, a chance to grow
I'll take the risk, let my feelings flow
I've found the words I need to saySuddenly you're seeing me just the way I am
Suddenly you're hearing me
So I'm talking just as fast as I can to you
Suddenly every part of me needs to know every part of youNow I know that you are mine
You bring me your love and peace of mind
You see the real me and I know that you're the keySuddenly you're seeing me just the way I am
Suddenly you're hearing me
So I'm talking just as fast as I can to you
Suddenly every part of me needs to know every part of youSuddenly you're seeing me just the way I am
Suddenly you're hearing me
So I'm talking just as fast as I can to youSuddenly, awkwardly
You're all I want, all I need you to be
Suddenly every part of me needs to know every part of you
Just you, it's you
